

A TREASURED GIFT!

~ for yourself, loved one, or colleague ~

The Ben Hogan Museum has placed a second order for our miniature Ben Hogan bronzes. Delivery from the foundry is expected to be mid-March. Please contact us now to be included in this order.

The original bronze, sculpted by Dr. John Giannini, is reminiscent of the famous picture of Mr. Hogan on Hole 18 of the 1950 U.S. Open.
